Proverbs 16:25 “There is a way that seems right to a man, but in the end it leads to death.”

Every man thinks his way is right, because, to him, it feels and seems right. But God warns that such thinking leads to death. Most men are too in love with their opinions to change, even if the Bible says their thoughts are sinful and self-destructive. There is only one criterion for truth and wisdom, and that is the will of God revealed in the Bible.

You may have strong opinions of how life should be lived and things done. Your thoughts that seem so right may come from parents, teachers, friends, habits, culture, and most of all, your deceitful heart and wicked imagination. But these sources apart from divine truth all lead to your death.
